This first recording of Johann Valentin Rathgeber's "Muri Mass", recorded in Muri itself, brings the music back to its point of origin. The instrumental concertos by Rathgeber and Telonius are written for different „trumpet“ instruments such as natural trumpet, clarinet and trumpet marine, each displaying its unique sound qualities.

**JOHANN VALENTIN RATHGEBER (1682-1750)**  
**Messe von Muri - Missa XII, Op. 12**

- |   |                  |      |
