"~~Zeigert~~ Holliger's profound empathy for Schumann shines through this outstanding performance which sustain." (BBC Music Magazine)

"Holliger is one of those musicians who hears what he conducts from inside, a crucial virtue in Schumann and neat way to disqualify curmudgeonly commentators who wrongly accuse Schumann of ineptitude in orchestration...Holliger is en route to a complete cycle...His may well be the one to go for." (Gramophone)

"Auspicious start to a Schumann cycle set to throw up a few revelations." (Limelight)
