

Anton Bruckner: Symphony No. 7

aud 95.494

EAN: 4022143954947

[Classic Collection](#) (Victor Carr Jr - 2010.12.23)

... is a beautiful conception of the work, wonderfully realized by the orchestra, with its famously gorgeous string sound and rich-toned brass. [...] Perhaps this is the kind of performance Böhm could only achieve on stage, and we are fortunate that it was recorded and now is made available to us in fine sound by Audite. A must for Bruckner lovers!
