The prima donna role of Mirra is sung by the emerging Lebanese-Canadian star Joyce El-Khoury, and she has an unbridled dramatic power [...] Airam Hernández as Sardanapolo is a strong foil. Karabits keeps things moving, both in the opera and in Mazeppa, and at the very least this opera is going to contribute some arias to vocal recitals and recording collections, Mirra's "Più lunga cura" above all. Highly recommended, and a great surprise.
